Missouri Weekly Hay Summary

The weather this past week at least giving hope that spring is just a few days away, as temperatures moderated to near seasonal normal. The southern half of the state is even starting to see green appear in some pastures, and hay fields. Hay movement is still very good, and most has had quite a bit of diesel used to get it to the purchaser, as local sales are few and far between. The supply of hay is light, demand is good, and prices steady. The Missouri Department of Agriculture has a hay hotline available for buyers and sellers.
