Missouri Weekly Hay Summary

Holiday's and poor weather slowed hay movement this past week. Weather conditions have been less than favorable especially in the north part of the state. Once ice and snow melted muddy conditions have made hay movement and feeding difficult at best. Hay demand is light, supply moderate to heavy, and prices steady. The Missouri Department of Agriculture has a hay hotline available for both buyers and sellers. To be listed, or for a directory, call 1-800-877-4HAY (4429) or visit <http://www.mda.mo.gov/pdf/MOHayDirectory.pdf>.
