**Missouri Weekly Hay Summary**

Decent weather allowed truckers to get back to catching up on the small backlog of deliveries due to the weather and holiday interruptions. Other than having to deal with mud, winter hasn't been extremely difficult on man or beast so far. Due to the fact much of winter has no had any snow cover or ice and there hasn't been any prolonged periods of sub-zero temperatures a fair amount of farmers are still letting stock piled fescue make up the major part of the feeding rations. Hay supply is moderate to heavy, demand moderate to light and prices are steady. The Missouri Department of Agriculture has a hay hotline available for both buyers and sellers. To be listed, or for a directory, call 1-800-877-4HAY (4429) or visit <http://www.mda.mo.gov/pdf/MOHayDirectory.pdf>.
