Missouri Weekly Hay Summary

Despite a new arctic front passing through the state every few days, lack of snow cover and an abundance of large round bales have kept hay movement at a minimum. Depressed milk prices aren't helping the few sellers that somehow managed to produce and hold on to any high quality hay this past season either. Hay supply is moderate to heavy, demand light and prices steady. The Missouri Department of Agriculture has a hay hotline available for both buyers and sellers. To be listed, or for a directory, call 1-800-877-4HAY (4429) or visit <http://www.mda.mo.gov/pdf/MOHayDirectory.pdf>.
