Please describe the methods your agency considered or used to reduce the impact on small businesses.

No impact will be incurred by small businesses.

Please explain how your agency has involved small businesses in the development of the proposed rule.

No impact will be incurred by small businesses with the rescissions of these rules.

Please list the probable monetary costs and benefits to your agency and any other agency affected. Please include the estimated total amount your agency expects to collect from additionally imposed fees and how the moneys will be used.

No monetary costs or benefits to any agency will be incurred or collected.

Please describe small businesses that will be required to comply with the proposed rule and how they may be adversely affected.

Land surveyors are required to comply with requirements set forth in the Code of State Regulations, 2 CSR 90 Chapters 60-65. The rescission of these regulations is to complete the process of transferring and updating regulations for the Land Survey Program from Department of Natural Resources to Department of Agriculture.

Please list direct and indirect costs (in dollar amounts) associated with compliance.

No costs will be incurred.

Please list types of business that will be directly affected by, bear the cost of, or directly benefit from the proposed rule.

Land Surveyors

Does the proposed rule include provisions that are more stringent than those mandated by comparable or federal, state, or county standards?

Yes _____ No XX

If yes, please explain the reason for imposing a more stringent standard.
