82.00, woolled 77.00-80.00. lbs 90.00-105.00.

Missouri Weekly Hay Summary

Despite the fact most of the winter so far has been very mild, sellers remain very busy. As we have mentioned in the past few weeks dry conditions to the southwest are keeping the hay market going this year. Even with the increased demand, Hay prices just don't seem to be able to push above price levels that they have been stuck at all year. A small number of sellers are moving high quality hay and getting good prices for that but they are few and far between. Most movement continues to be of the mid quality mixed grass with some brome or alfalfa in it. Hay supply and demand is moderate, prices are mostly steady to firm. The Missouri Department of Agriculture has a hay hotline available for buyers and sellers. To be listed, or for a directory, call 1-800-877-4HAY(4429).(All prices per ton unless specified) Supreme quality Alfalfa(RFV>185) 120.00-145.00 premium quality Alfalfa(RFV170-180) 90.00-125.00 Fair to Good quality Alfalfa(RFV130-170) Round bales 30.00-80.00 Small, Big squares 70.00-110.00 Good quality mixed Alfalfa and grass small square bales 2.50-3.50 per bale 25.00-50.00 per large round bale Fair to good quality Prairie hay 40.00-60.00 Premium Quality Brome large Squares 90.00-100.00 Good quality Brome 40.00-70.00 Fair quality Brome and mixed with grass round bales 15.00-30.00 per bale Good quality Timothy Hay 3.00-4.50 per small square bale Good quality Red Clover hay 25.00-50.00 Good quality Mixed Grass hay 20.00-35.00 per round bale Fair quality large round bales Fescue 15.00-25.00 per bale Wheat hay 40.00-60.00 Wheat straw 2.50-3.50 per small bale.
