Missouri Weekly Hay Summary Week ending 10/25/2013

Frost has been seen in some areas of the state and is expected to be in all areas in the next week. While this would normally spur some hay movement, this year livestock producers seem quite comfortable with what they have on hand for now. Out-of-state feeders are starting to seek a bit of hay, but that seems to be mostly shopping rather than buying right now. Hay supply is heavy, demand is light and prices are steady. The Missouri Department of Agriculture has a hay directory available for both buyers and sellers. To be listed, or for a directory visit <http://mda.mo.gov/abd/haydirectory/> or for current listings of hay <http://agebb.missouri.edu/haylst/> (All prices f.o.b. and per ton unless specified and on most recent reported sales prices listed as round bales based generally on 5x6 bales with weights of approximately 1200-1500 lbs).

Supreme quality Alfalfa (RFV >185) 225.00-300.00
 Premium quality Alfalfa (RFV 170-180) 200.00-275.00
 Good quality Alfalfa (RFV 150-170) 160.00-225.00

Good quality Mixed Grass hay 90.00-160.00
 Fair to Good quality Mixed Grass hay 70.00-100.00
 Fair quality Mixed Grass hay 30.00-45.00 per large round bale

Wheat straw 3.00-5.00 per small square bale
