North Central Missouri Show-Me-Select Replacement Heifer Sale
 Green City Livestock Market, Green City, MO 12/21/13

Receipts: 195

All Heifers in the sale have met minimum standards for reproductive soundness, pelvic size, body condition and weight. They have also undergone a comprehensive health program, and were guaranteed bred to easy calving bulls, with many synchronized and artificially bred. Projected calving dates were given for all lots with the heifers expected to calve from February thru April, with the majority due in February and early March. The offering was screened for blemishes, muscle, frame, body condition score (BCS), and disposition by a final screening committee comprised of official graders from USDA and the Missouri Department of Agriculture, then sorted into lots according to calving dates and body type similarity. A good crowd was on hand despite an approaching winter storm expected to bring in some ice and snow later in the day. Demand was good with the sale averaging 2156.00 per head on 52 lots. 151 head of the heifers were AI bred with their average at 2202.00 per head and the 44 head of natural bred heifers averaged 1995.00.

Replacement Bred Heifers: Large 1-2 1050-1250 lbs 3rd stage preg 2150.00-2550.00 per head, few packages 1200-1325 lbs 2500.00-2850.00 per head. Medium and Large 1-2 950-1100 lbs few 2nd but mostly 3rd stages preg 1800.00-2175.00 per head.
