 \*NEW CROP \*\*PREVIOUS WEEK'S PRICES

The University of Missouri is conducting several “**Livestock Risk Management**” educational programs across the state.

Date	Time	Location
Tues, Jul 22	11-2 pm	Clasbey Community Center, Savannah
Tues, Jul 22	6-9 pm	Fairgrounds Diner, Nevada
Wed, Aug 20	5-9 pm	Audrain County 4-H Center, Mexico
Wed, Sep 03	10-2:30 pm	FCS Financial, Sedalia

The training will prepare livestock producers to manage both price and weather risk. Particular attention will be given to various insurance programs available to livestock producers. Programs available to manage price risk include Livestock Risk Protection (LRP) and Livestock Gross Margin (LGM), the Dairy Margin Protection Program. Programs available to manage weather risk include Pasture, Range and Forage Insurance (PRF), the Livestock Forage Disaster program (LFP) and the Livestock Indemnity Program (LIP). Understanding how to use these federally subsidized programs can assist producers in minimizing the hazards inherent in livestock production.

To register for these free meetings contact your local extension specialist.
