**Missouri Weekly Hay Summary 12/13/19**

There is not much in the way of new news in the hay world this week. A lack of winter weather has most of the cattle guys getting along okay and no one is really looking for hay at the moment. There has been very few inquiries from sellers or buyers in the last couple weeks. The supply of hay is moderate to heavy, demand is light to moderate and prices are steady. The Missouri Department of Agriculture has a hay directory available for both buyers and sellers. To be listed, or to view the directory visit <http://mda.mo.gov/abd/haydirectory/> for listings of hay <http://agebb.missouri.edu/haylst/> (All prices f.o.b. and per ton unless specified and on most recent reported sales.
