

# TAIWAN BIOTECHNOLOGY & GREEN ENERGY SHOW

TAINAN, TAIWAN | SEPTEMBER 27-30, 2019

## SHOWCASE YOUR PRODUCTS ABROAD:

Don't miss this unique opportunity through the Missouri Department of Agriculture's Taiwan office to showcase your products at the Department's booth during the 2019 Biotechnology & Green Energy Show in Tainan, Taiwan.

Display your products to an international audience at the Missouri Department of Agriculture's booth. Our Taiwan office director, Hank Ma, and his assistant, Phoebe Chen, will offer on-site assistance for the promotion of Missouri products. Not able to attend? Your company can send photos and/or marketing materials to display at our booth.

*For more information about the Biotechnology & Green Energy Show, contact Leslie Fischer by August 31, 2019:*

*[Leslie.Fischer@mda.mo.gov](mailto:Leslie.Fischer@mda.mo.gov)*

## TRADE SHOW PARTICIPATION INCLUDES:

Networking Opportunities	Transportation Assistance
Pre-Show Briefings	Lodging Assistance
Business Protocol	Interpretation Services
Market Research	Logistics Assistance
One-on-One Company Meetings	Missouri Booth Space and Booth Cost

*\*Costs for airfare, lodging and translation of promotional materials will be the responsibility of the participant, however they may be eligible for partial reimbursement through the state's GMAP program.*
