THE MAIN EVENT

The Missouri Department of Agriculture is selecting four animal feed ingredient companies to attend the International Processing & Production Expo (IPPE) in Atlanta, Georgia next February! MDA will award these companies with a partial booth sponsorship to exhibit in the Animal Feed Ingredient Hall. If selected, a \$800 required deposit is due to MDA by December 6, 2018 at 4:00 p.m.

The IPPE Expo, an event that attracts more than 7,000 international attendees, is the world's largest annual poultry, meat and feed industry event of its kind. In addition to the expo, selected companies will participate in the Food Export-Midwest Buyers' Mission for value-added feed ingredient companies. This will provide your company with the opportunity to meet pre-qualified buyers from around the world through scheduled, one-on-one meetings to generate new sales leads and build valuable industry relationships.
