

Missouri Exhibition Requirements for Alpacas, Camels and Llamas

General Requirements

1. All animals must have a Certificate of Veterinary Inspection unless specifically exempted. The Certificate of Veterinary Inspection shall state that the animals are free of visible signs of contagious, infectious, or communicable disease, and describe the animal(s) by species, breed, official identification, sex and age. The Certificate of Veterinary Inspection shall reflect all data for required test and vaccinations, all dates, results, and the name of the laboratory.
2. The Certificate of Veterinary Inspection is valid for thirty (30) days.
3. Animals with active lesions of ringworm with resulting loss of hair or warts easily visible without close examination will not be permitted to exhibit and shall be subject to isolation or expulsion depending upon the nature and seriousness of the disease.
4. Sales scheduled in association with exhibitions must employ an accredited veterinarian to examine animals and process a Certificate of Veterinary Inspection for change of ownership.
5. The following are valid forms of official ID: 840 RFID/EID tags, 8 or 9 character NUES tags, Scrapie tags, Brucellosis tags, or a tattoo if purebred and with proof of registration accompanying the animal.
6. Alteration or substitution of any information on any VS Form 10-11 or any officially recognized federal/state EIA test chart or Certificate of Veterinary Inspection shall cause the document to be invalid and in violation of sections 267.010 to 267.730, RSMo, and may result in civil penalties not to exceed ten thousand dollars (\$10,000) per violation and be subject to expulsion.
7. Any equine or other hoof stock originating from a county in which there is a premises under quarantine for Vesicular Stomatitis must obtain an entry permit and must include the statement on the Certificate of Veterinary Inspection that, "The animals listed are free of clinical signs of Vesicular Stomatitis and have not been exposed to Vesicular Stomatitis or located on a premises quarantined for Vesicular Stomatitis within the past fourteen (14) days." The certificate of veterinary inspection must be written seven (7) days prior to entry.
