

**Title 2—DEPARTMENT OF AGRICULTURE  
Division 60—Grain Inspection and Warehousing  
Chapter 2—Grain Sampling**

**PROPOSED RESCISSION**

**2 CSR 60-2.010 Grain Sampling**

*PURPOSE: The director of the Department of Agriculture was authorized to establish all necessary and reasonable regulations and fees for sampling grain whenever the value of grain is established by analysis of a sample drawn by the buyer or his/her representative. This rule established a method that allowed the seller that is dissatisfied with the buyer's grade to obtain an official analysis of his lot of grain from an official grain inspection laboratory of the Department of Agriculture.*

*Rescission Purpose: The rule states, in subsection 8, it was only in effect until January 1, 1979, unless renewed prior to that date by the director. This rule has not been renewed and is outdated and not necessary. RSMo 265.505 provides adequate guidelines to protect sellers' interest.*

**AUTHORITY:** section 265.505, RSMo 1986. Original rule filed Oct. 14, 1976, effective Jan. 14, 1977.\*

**Op. Atty. Gen. No. 15, 4-13-78.** *The Director of the Department of Agriculture may set fees for grain inspection and sampling services either on a uniform basis throughout the state or on a separate basis at each location, so long as the revenue produced from the fees meet the expenses of administering chapter 411 (RSMo) in a statewide basis or at each location.*

*\*Original authority: 265.505, RSMo 1975.*

**PUBLIC COST:** *This proposed amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500.00) in the aggregate.*

**PRIVATE COST:** *This proposed amendment will not cost private entities more than five hundred dollars (\$500.00) in the aggregate.*

**NOTICE TO SUBMIT COMMENTS:** *Any one may submit a written statement in support of or in opposition to this proposed rule. Written statements shall be sent to the attention of Joe Walker, Grain Regulatory Services, PO Box 630, Jefferson City, MO 65102. Comments may also be made on the Department of Agriculture's website: mda.mo.gov. To be considered, comments must be received within thirty (30) days after publication of this notice in the Missouri Register. No public hearing is scheduled.*
