Please describe the methods your agency considered or used to reduce the impact on small businesses: Inspection fees for FY2018 were 5¢ per hundred weight on milk produced on farms inspected by the State Milk Board or its contracted local authority and 4.5¢ per hundred weight on milk imported from areas beyond the points of routine inspection and will remain the same for FY2019

Please explain how your agency has involved small businesses in the development of the proposed rule. State Milk Board is composed of dairy producers, processors, consumers, and Department of Agriculture and Department of Health representatives. All members work and interact directly with dairy farms and/or dairy businesses.

Please list the probable monetary costs and benefits to your agency and any other agency affected. Please include the estimated total amount your agency expects to collect from additionally imposed fees and how the moneys will be used. No additional money will be collected; the Inspection Fee for FY2019 will remain the same as FY2018.

Please describe small businesses that will be required to comply with the proposed rule and how they may be adversely affected. No small businesses will be adversely affected since the fees will remain the same as FY2018.

Please list direct and indirect costs (in dollar amounts) associated with compliance. No direct or indirect costs to small businesses.

Please list types of business that will be directly affected by, bear the cost of, or directly benefit from the proposed rule. Milk marketing cooperatives, dairy processors, and producer/processors will directly benefit from the proposed amendment.

Does the proposed rule include provisions that are more stringent than those mandated by comparable or federal, state, or county standards?

Yes _____ No X

If yes, please explain the reason for imposing a more stringent standard.
